We also publish content relating to trading, charting, technical analysis, and content creation. This disclaimer applies to all such content and to all products and services offered by La Marz & Co in any channel. This document is incorporated by reference into our Terms of Service.

2. Age Requirement — 18+ Only

■ 18+ ONLY — AGE REQUIREMENT

3. Risk Disclaimer — Trading & Investing

■ TRADING RISK WARNING

Trading and investing in financial markets are high-risk activities. A large proportion of people who trade lose money. The risk of loss in trading financial instruments — including CFDs, forex, equities, commodities, futures, and derivatives — can be substantial and may exceed your initial investment. Only trade with money you can afford to lose entirely. Past performance does not guarantee future results.

4. Not Financial Advice

La Marz & Co is not registered or authorised as an investment adviser, financial adviser, broker, or financial institution with any regulatory authority, including Finanstilsynet (Norway), the FCA (UK), the SEC (US), ASIC (Australia), or any EU competent authority. All content, tools, watermarks, and services are solely for educational, informational, and personal branding purposes. Nothing constitutes: investment or financial advice; a solicitation to trade any financial instrument; a recommendation of any trading strategy; or legal, tax, or accounting advice of any kind.

5. Hypothetical & Simulated Performance Disclaimer

■ HYPOTHETICAL PERFORMANCE WARNING

Hypothetical or simulated performance results have inherent limitations. Unlike actual performance records, simulated results do not represent real trading. Results may have under- or over-compensated for market conditions such as lack of liquidity, slippage, and spreads. No representation is made that any account will achieve profits or losses similar to those depicted. All chart examples or overlays referenced in connection with La Marz & Co products are for educational purposes only.

6. No Guarantee of Results

La Marz & Co makes no representation, warranty, or guarantee that any customer will achieve any particular financial result from use of our products. Individual results will vary based on skill, discipline, risk management, experience, capital, market conditions, and many other factors beyond our control.

7. Testimonials Disclaimer

Testimonials represent individual claimed experiences and may not be representative of other customers. Any trading results depicted are not independently verified, may not reflect realistic outcomes for most traders, and are not a guarantee of future performance or success.

8. Educational Purposes Only
